Our doctors' fees vary according to the length and complexity of the service provided and are payable at the time of your visit. For most of our services, Medicare refunds a fixed rebate for those with a valid Medicare card. For ongoing dressings, you may incur an out of pocket consumables fee, if unsure please check with reception.

For your convenience Doctors at Landsborough offers Medicare Easyclaim, which allows us to immediately refund your rebate to your debit card, without the need to claim online.

If you have concerns about our fee structure, please discuss these with your doctor.

Your health & wellbeing always remain our primary concern.
